

NOTE: The following diagrams are not to scale and are shown as an aid for the purpose cutting the strips. These diagrams were also made so that the width of fabric is at least 40" wide once selvages have been removed.

Cream 1⅔ yards

You will need 50- 5" X 5" squares and 25 - 5⅜" X 5⅜" squares.

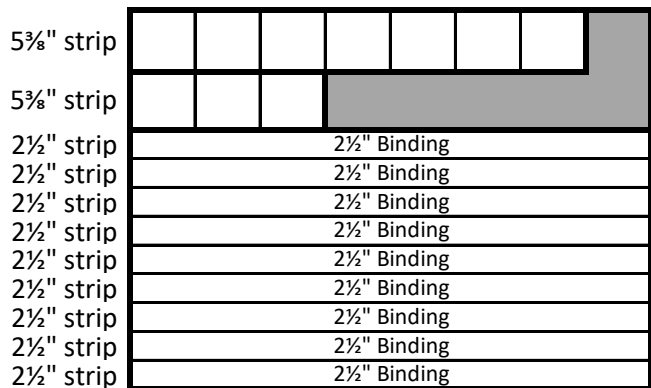

1. Cut 6 - 5" strips and 4 - 5⅜" strips.
2. From 5" strips cut a total of 48 - 5" X 5" squares. You should be able to get 8 squares per strip.
3. From 2 of the 5⅜" strips cut 1 - 5" X 5" square from each.
4. From the remainder of the 5⅜" strips cut a total of 25 - 5⅜" X 5⅜" squares

Green 1 yard

You will need 10 - 5⅜" X 5⅜" squares and 8- 2½" X WOF binding

1. Cut 2 - 5⅜" strips.
2. From the 5⅜" strips cut a total of 10 - 5⅜" X 5⅜" squares. You should be able to get 7 squares per strip.
3. The 2½" strips will be used for the quilts binding.

Lime Green 1½ yards

You will need 8 - 4½" X 4½" squares, 16 - 5" X 5" squares, 16 - 2½" X 12½" lattice pieces and 16 - 2½" X 16½" lattice pieces.

1. Cut: 1 - 4½" strip, 2 - 5" strips, 1 - 12½" strip and 1 - 16½" strip.
2. From the 4½" strips cut a total of 8 - 4½" X 4½" squares. You should be able to get 9 squares per strip.
3. From 5" strips cut a total of 16 - 5" X 5" squares. You should be able to get 8 squares per strip.
4. From the the 12½" strip cut a total of 16 - 2½" X 12½" lattice pieces. You should be able to get 16 lattice pieces per strip.
5. From the the 16½" strip cut a total of 16 - 2½" X 16½" lattice pieces. You should be able to get 16 lattice pieces per strip.
